Re: Stone Oak (Amendment)

**POADP # 48-A**

Dear Mr. Christensen,

The City Staff Development Review Committee has reviewed Stone Oak (Amendment) Preliminary Overall Area Development Plan **P.O.A.D.P # 48-A**. Please find enclosed a signed copy for your files. Your plan was accepted however please note the following:

- **MDP-** The reason for this amendment is to designate land uses for three tracts of land depicted on the P.O.A.D.P and they are as follows:
  1. 9.072 Acres designated as MFC, C2, and O.
  2. 6.12 Acres designated as MFB, C2, and O.
  3. 4.00 Acres designated as MFC.
- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Any access and R.O.W. issues along state facilities will need to be resolved with the **Texas Department of Transportation (TXDOT)**. For information about these requirements you can contact TXDOT at 615-5814.
- It will be expected that you will plat all of the property depicted in your Preliminary Overall Development Plan (P.O.A.D.P) to include floodplains, drainage areas and open space.
- I would encourage you to work closely with the school district, so that they can plan accordingly.

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this Preliminary Overall Area Development Plan (P.O.A.D.P) will be invalid.

**All Platting will have to comply with the Unified Development Code,  
Master Plan, and Major Thoroughfare Plan for the City of San Antonio.**

Sincerely,
