Re: Oakridge Village (Amendment)

MDP # 54-A

Dear Mr. Hanan:

The City Staff Development Review Committee has reviewed Oakridge Village (Amendment) Master Development Plan M.D.P. # 54-A. Please find enclosed a signed copy for your files. Your plan was accepted, however please note the following:

- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Any access and R.O.W. issues along state facilities will need to be resolved with the Texas Department of Transportation (TXDOT). For information about these requirements you can contact TXDOT at 615-5814.
- It will be expected that you will plat all of the property depicted in your Master Development Plan (M.D.P.) to include floodplains, drainage areas and open space.
- I would encourage you to work closely with the school district, so that they can plan accordingly.
- Bexar County Public Works as part of their conditional approval cite the following:
It is understood that this is a conceptual plan and all regulations will be addressed at the time of platting.

Mr. Hanan

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this Master Development Plan M.D.P. (formerly POADP) will be invalid.

All Platting will have to comply with the Unified Development Code, Master Plan and Major Thoroughfare Plan for the city of San Antonio.

If you have any questions regarding this matter, please contact Mr. Michael O. Herrera, at (210) 207-7038.
