RE: Deerfield Subdivision Units 9 & 10 POADP #333

Dear Mr. Wright:

The Development Review Committee has reviewed and accepted your Deerfield Subdivision Units 9 & 10 Preliminary Overall Area Development Plan #333. An approved copy of this plan is enclosed for your files.

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. Additionally, this action does not confer any vested rights to plat under the existing Subdivision regulations. Any platting will have to comply with the Unified Development Code at the time of platting.

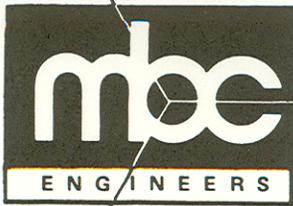

If you have any further questions, please call Alex Garcia at 299-7900.

Sincerely,

David W. Pasley, AICP

RE: Revised P.O.A.D.P. - Deerfield Development

Dear Eddie:

Attached are six (6) copies of the revised P.O.A.D.P. for the Deerfield Area. We have shown Reitmeyer Investment as Owner of all the property abutting Deerfield, Unit 6-B.

Also attached is a print of the proposed development of The Park at Deerfield, Unit 3 and Park Trail which I obtained from Joe Nix at W.F. Castella. As you may or may not remember, I discussed the other proposed access to Parktrail with you as to how we should handle the platting. The area, we decided, should be platted with Park Trail since it will be a part of their P.U.D. It is the area between Lots 56 and 57, Block 12, N.C.B. 18362 in Unit 6B (See attached copy of plat). Mr. Reitmeyer bought this tract from our client for a secondary access to their proposed development.

Please review the attached information and call me if you have any questions or require additional information.

Please advise me if I need to meet with the P.O.A.D.P. Committee at your next meeting to assure the approval since it is very urgent that we get our plat on the next agenda.

Thank you for your cooperation on this project.

Very truly yours,
