RE: Revised USAA - I.H. 10/Huebner Road Subdivision POADP #386

Mr. Hardy:

The City Staff Development Review Committee has reviewed your revised USAA - I.H. 10/Huebner Road Subdivision Preliminary Overall Area Development Plan #386. Please find enclosed a signed copy for your files. You may now submit individual subdivision plat units at your convenience.

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. Additionally, this action does not confer any vested rights to plat under the existing Subdivision regulations. Any platting will have to comply with the Unified Development Code at the time of plat submittal.

If you have any additional questions or comments regarding this matter, please contact Alex Garcia. He may be reached at (210)299-7900, Monday through Friday, 7:45AM-4:30PM.

Sincerely,

David W. Pasley, AICP

RE: USAA-I.H. 10/Huebner Road Subdivision POADP #386

Mr. Hardy:

The City Staff Development Review Committee has reviewed your USAA-I.H. 10/Huebner Road Subdivision Preliminary Overall Area Development Plan #386. However, your plan was not accepted for the following reasons:

1. It appears that the 9.5 acre tract under the ownership of Rees R. Oliver, Jr., is not a part of your development. However, you are proposing part of a collector through his property. This collector needs to be completely within your development or Mr. Oliver's property needs to be included in your POADP.
2. The extension of Expo Boulevard needs to be centered on and in line with the existing lanes. Additionally, the vehicular lanes and traffic flow indicators detail is appreciated but not required as part of the POADP. This will be reviewed in detail at the time of plat submittal.
3. Huebner Road is lacking ROW width information.

Once you have revised your plan accordingly, you may resubmit the plan at your earliest convenience. Although not specifically required by the Unified Development Code, a cover letter explaining the modifications will facilitate expeditious review of the subsequent plan.

This review and commentary is intended to be as comprehensive as possible and in consonance with the Unified Development Code. However, we reserve the right to comment further in the best interest of the City of San Antonio on any revised plan as may be submitted in the future.

Your cooperation in this matter is appreciated. If you have any questions or comments, please contact Alex Garcia. He may be reached at (210)299-7900, M-F, 7:45AM-4:30PM.

Sincerely,

David W. Pasley, AICP

Re: 9.5 Acres at IH-10 and Huebner Road

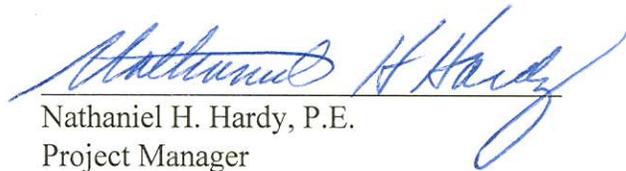

Dear Mr. Oliver:

Pape-Dawson Engineers are in the process of obtaining approval for the Preliminary Overall Area Development Plan (POADP) for the USAA Real Estate Company's 78.5 acres which surround your referenced property. The POADP (copy attached) must be approved prior to any development on the property.

Please find attached a letter from the City of San Antonio disapproving the POADP for this property. Item Number 1 in the letter requests that we add your property to the POADP. With this letter we request your permission to add your 9.5 acres to the POADP. Inclusion of your property into the POADP signifies your intent to sign the subdivision plat (or have USAA sign it for you) which will dedicate, as public right-of-way, that portion of your property which is included in Huebner Oaks Road.

Please contact us if you have questions about this correspondence. Please sign one copy of this letter and return it to us as your authorization for us to proceed with the POADP revised to include your property. We will provide a copy of this letter to the Planning Department as "proof" that you have allowed us to show your property as part of the USAA Real Estate Company POADP.

Sincerely,
Pape-Dawson Consulting Engineers, Inc.

Re: POADP #386
USAA IH-10 and Huebner Property

Dear David:

We are in receipt of your letter dated November 8, 1993, in which you denied approval of the referenced POADP.

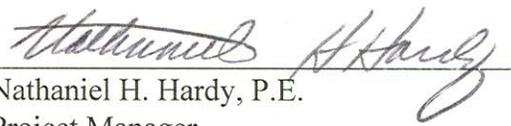

Comment Number 1 is presently being addressed by USAA Real Estate Company. They are requesting that the Owner of the 9.5 acre tract declare their intent by means of a letter, to dedicate right-of-way when the road is platted. We will deliver this letter to the Planning Department when it is executed.

Comment Number 2 is addressed by our revision to the attached POADP. Several months ago, we field surveyed North Ten Plaza and located the center of the existing 20 foot median. We set the centerline of Huebner Oaks Road at the centerline of North Ten Plaza. We have revised the POADP to graphically illustrate the alignment of the two road centerlines.

The third comment has been addressed by a revision to our POADP.

Please accept our revised POADP, this letter and hold them until we send you the document addressing the first comment. Please contact us with questions.

Sincerely,
Pape-Dawson Consulting Engineers, Inc.
