Re: Lone Stare Business Park (Amending)

POADP # 591-A

Dear Mr. Marsh:

The City Staff Development Review Committee has reviewed Lone Stare Business Park Master Development Plan M.D.P. (formally POADP) Preliminary Overall Area Development Plan # 591-A. Please find enclosed a signed copy for your files. Your plan was accepted, however, please note the following:

- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Any access and R.O.W. issues along state facilities will need to be resolved with the Texas Department of Transportation (TXDOT). For information about these requirements you can contact TXDOT at 615-5814.
- This development will need to comply with tree preservation ordinance #85262. For information about these requirements you can contact Building Inspections at 207-7102.
- It will be expected that you will plat all of the property depicted in your Master Development Plan (M.D.P.) (formally POADP), to include: floodplains, drainage areas and open space.
- I would encourage you to work closely with the school district, so that they can plan accordingly.

*FILE 9*

Mr. Marsh  
Page 2  
November 28, 2001

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this Master Development Plan M.D.P. (formally POADP) will be invalid.

**All Platting will have to comply with the Unified Development Code, Master Plan and Major Thoroughfare Plan for the city of San Antonio.**

If you have any questions regarding this matter, please contact Mr. Michael O. Herrera, at (210) 207-7873.

Sincerely,

Emil R. Moncivais AIA, AICP

Re: Amendment to POADP No. 591 – Lone Star Business Park  
UTSA Blvd. and IH-10  
San Antonio, Texas

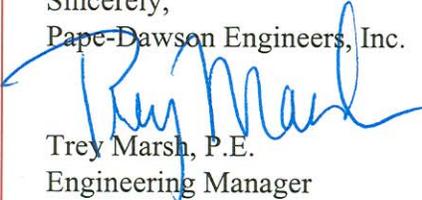

Dear Mr. Herrera:

Pape-Dawson has addressed the outstanding comments from Public Works and Zoning with regard to the referenced POADP amendment. I have met with Kevin Love to resolve the type of street that is proposed for the development and it will remain as a Local Type B street. As requested by Zoning, we have added "B-3" and removed "Industrial" from the POADP.

As directed by Michelle Gonzalez, we have resubmitted fifteen (15) copies to your office for final approval of the amendment. We are currently platting a portion of the roadway and are trying to make the December 26<sup>th</sup> agenda (December 10<sup>th</sup> submittal deadline) for Planning Commission. It is my understanding that plat approval by the Planning Department is contingent on the POADP approval. Therefore, your assistance in coordinating final approval of the POADP amendment is critical to our timeline. Please advise when final approval can be expected. I am available to meet any time your schedule allows if necessary.

Thank you again for your assistance in this matter. Please call our office if I can answer any questions.

Sincerely,  
Pape-Dawson Engineers, Inc.

  
Trey Marsh, P.E.  
Engineering Manager

Re: Amendment to POADP #591 – Lone Star Business Park  
Southeast Corner of IH10 and UTSA Blvd.

Dear Mr. Herrera:

Thank you for meeting with us on Monday, August 27, 2001 to review the proposed amendment to the referenced POADP. As discussed, we are requesting approval of this amendment on behalf of our client Koontz-McCombs, LLC. The revision consists primarily of a revised alignment for the Local Type B street that will be constructed to access the future development of the property. The revised street alignment will intersect UTSA Boulevard at existing median cuts that have been field surveyed. Todd Sang has provided his endorsement of the street realignment and I understand that he has forwarded a written confirmation to your office. Todd has also reviewed the 1997 TIA that was done for the property and determined that it is still valid for the property's intended use. The original POADP and the proposed amendment are attached for your review. Please consider this formal application for approval of the amendment.

Also, attached is a Vested Rights Permit Application for the property. The supporting documentation includes the original POADP No. 591 – Lone Star Business Park, Plat No. 980177 – UTSA Blvd., and a Trust Agreement between Koontz-McCombs, LLC and the City of San Antonio for construction of UTSA Blvd. as it currently exists. Please accept these documents as formal application for assignment of vested rights for the property.

Our client would like to proceed with design documents for the roadway as soon as possible and is anxious to begin construction. Your prompt assistance in the above in matters would be greatly appreciated.

Please call our office if you have questions.

Sincerely,  
Pape-Dawson Engineers, Inc.

Trey Marsh, P.E.  
Engineering Manager
