San Antonio, TX 78232

Re: Monte Viejo

MDP # 723

Dear Mr. Carmona:

The City Staff Development Review Committee has reviewed Monte Viejo Development Plan M.D.P. (formerly POADP) Preliminary Overall Area Development Plan # 723. Please find enclosed a signed copy for your files. Your plan was accepted however please note the following:

- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Any access and R.O.W. issues along state facilities will need to be resolved with the Texas Department of Transportation (TXDOT). For information about these requirements you can contact TXDOT at 615-5814.
- This development will need to comply with tree preservation ordinance #85262. For information about these requirements you can contact Building Inspections at 207-7102.
- It will be expected that you will plat all of the property depicted in your Master Development Plan (M.D.P.) (formerly POADP), to include floodplains, drainage areas and open space.
- I would encourage you to work closely with the school district, so that they can plan accordingly.

- Development Services Engineering Division has reviewed the Level-3 Traffic Impact Analysis (TIA) for the Monte Viejo, POADP. The analysis is in compliance with the TIA Ordinance 91700. The Level of Service (LOS) at this time is adequate to support existing traffic, however, with the addition of this development along with growth in this area, the LOS deteriorates to a highly congested roadway system.

The Monte Viejo Subdivision lies within the City of San Antonio corporate limits and extra territorial jurisdiction (ETJ). The proposed project is located on the south side of SE Military Drive (Loop 13) between IH 37 and W.W. White Road. The proposed development will contain approximately 1,250 single-family residences, approximately 250 low-rise apartment units, one community size shopping center and small commercial tracts. Included in the TIA is proposed elementary school on SE Military Drive (Loop 13) that is not part of the POADP but which is scheduled to open in fall 2002.

The Monte Viejo Subdivision is expected to begin construction in 2001. The single-family residences are expected to be completed in 2004 and the remaining development in the year 2006.

The following mitigation measures shall be provided by the developer, on or before completion of the Monte Viejo Subdivision:

- A signalized intersection at Alsbrook Drive.
- The six referenced access points to SE Military Drive (Loop 13) will be considered the maximum number allowed.

The traffic signal that has been recommended does meet traffic signal warrant analysis. In the UDC, under Article 5, Division 2, Section 35-506, (k) Traffic Signals (2). The developer shall install that portion of the traffic signal infrastructure that is underground on the proposed street. The design and construction of this partial signal installation shall comply with TMUTCD and the City of San Antonio specifications and design requirements. We agree that these on-site improvements are necessary and shall be provided by the developer, on or before the completion of the Monte Viejo Subdivision, at no cost to the City of San Antonio.

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this Master Development Plan (M.D.P.) (formerly POADP) will be invalid.

Mr. Carmona

All Platting will have to comply with the Unified Development Code, Master Plan and Major Thoroughfare Plan for the city of San Antonio.

If you have any questions regarding this matter, please contact Mr. Michael O. Herrera, at (210) 207-7873.

Sincerely,

Emil R. Moncivais AIA, AICP
Director, Planning Department

EM/MH. Jr.

cc: Bob Opitz, P. E., Development Services

Richard De La Cruz, Senior Engineer Development Services

- name of the POADP and the subdivision;
- indication of development phases on the POADP;
- perimeter property lines of the POADP (in a line weight and character distinguishable from other lines);
- copy of digital file
- north arrow and scale of the map;
- proposed land use by location, type and acreage;
- delineation of the circulation system including all collectors, arterial, and local type "B" streets;
- contour lines at intervals no greater than ten (10) feet;
- legal recorded ownership of adjacent properties and if known proposed development of adjacent unimproved properties;
- existing adjacent or perimeter streets;
- one hundred year flood plain limits;
- location map indicating location and distance of the POADP to adjacent streets and at least two (2) major thoroughfares.
- a complete application and certification, 8½" x 11" reduction with eight (8) full size copies of the POADP map, all full size maps to be folded (accordion style & manageable size);
- POADP amendments or revisions must be graphically indicated and include a concise statement describing said amendment or revision on the POADP map;
- TIA requirements must be met prior to acceptance of a POADP, contact James Clements @ (210) 207-7720;
- Tree preservation requirements must be met prior to acceptance of a POADP, contact Debbie Reid @ 207-8265;
- the POADP does not does abut State Highway Department facilities and one additional copy of the POADP plan has been submitted directly to TXDOT for their review. Contact Judy Friesenhahn @ (210) 615-5814;
- The POADP is not is located over the Edwards Aquifer recharge zone and one additional copy of the POADP has been submitted directly to the Aquifer Studies office of San Antonio Water Systems, contact Kirk Nixon (210) 704-7392;
- The POADP lies in the East Central School District and they have been contacted concerning this development.
- List below all Major Thoroughfares that are adjacent to the property or included within the boundaries.

I certify that the POADP application and accompanying maps are complete and that the conditions listed on this application have been met.
