RE: Master Development Plan -MDP #024A-08 Port San Antonio application status

Dear Mr. Tan:

We have reviewed your MDP application that was submitted on November 12, 2008. Based on the Texas Local Government Code 245.002 (e) *Uniformity of Requirements* the following is our official finding:

Planning and Development Services Department deemed your MDP technical application invalid. The applicant has failed to provide documents or other information necessary to comply with the City's technical requirements since the City's last request on May 29, 2009. The MDP permit application has expired. Should you care to develop your property in the future by phases then a new MDP application and fees will need to be submitted.

If you have any further questions please contact Richard Carrizales at (210) 207-8050.

Sincerely,

Fernando J. De León, P.E.  
Assistant Director,  
Planning and Development Services Department
