Re: **Pearl Brewery**

MDP # 026-08

Dear Mr. Carter,

The Development Review Committee has reviewed **Pearl Brewery** Master Development Plan for **MDP 026-08**. Enclosed is an accepted and signed copy of the MDP for your files. However, please note the following conditions:

It will be expected that all of the property depicted in the Master Development Plan including but not limited to floodplains, drainage areas, and open space shall be platted. All platting shall comply with the Unified Development Code (UDC), the City's Master Plan, Major Thoroughfare Plan, and all applicable regulations for the City of San Antonio.

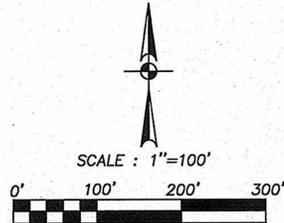

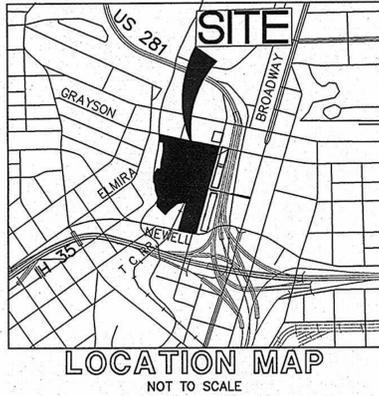

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. In addition, it is suggested to work closely with the school district, so they can plan for the development accordingly.

The validity for this project shall expire within twenty-four months from the date of acceptance in accordance with UDC §35-412(h)(1). Should you need further assistance, please contact Donna L. Schueling at (210) 207-5016.

Sincerely,

A handwritten signature in cursive script, appearing to read "F. De León".
