

TO: Development Services Customers

SUBJECT: **INFORMATION BULLETIN 514**
Rule Interpretation Determinations (RIDs)

DATE: February 13, 2009 / *Revised August 29, 2014*

CREATED BY: Land Development Division / Policy Administration

Purpose:

As a customer service initiative, the Development Services Department (DSD) created this **revised** bulletin to update the content of previously published versions of this IB.

Scope:

When first posted, IB 514 identified RIDs 1 through 75 as no longer in effect due to codification or rescindment. The Department continues this review, confirming the following RIDs no longer in effect since the determinations found therein have been codified into the Unified Development Code (UDC): *076a, 076b, 079, 081, 082, 083, 084, 085, 090, 092, 100, 101, and 103.*

The RIDs listed above are currently identified with “(codified)” after the title and will be removed from the Department website; however, those RIDs published on the website remain in effect and may be viewed at

<https://webapps1.sanantonio.gov/dsddocumentcentral/Search.aspx?B=%25&C=%25&D=Rule%20Interpretations&T=%25>.

RIDs are automatically included in the 5-year UDC update cycle. In some cases, the language contained in the RID is amended during the public involvement process of the Planning Commission Technical Advisory Committee, Planning Commission, Zoning Commission and City Council. The language codified in the UDC supersedes the language previously contained in the RID. For more information on published RIDs or the RID creation process, please contact Christopher Looney, Development Services Policy Administrator, at Christopher.Looney@sanantonio.gov or 210.207.5889.

Summary:

This Information Bulletin is for informational purposes only.
