- Escrow Application (if applicable)

To Whom It May Concern:

Subject: Master Letter of Compliance for Irrigation Installations

The installation of underground irrigation systems in the City of San Antonio (COSA) as well as the Extra Territorial Jurisdiction (ETJ) and the inspections of the same requires all irrigation contractors to complete and submit a notarized Master Letter of Compliance for all irrigation installations on an annual basis when registering or re-registering with the City of San Antonio Development Services Department (DSD).

The following criteria will be used:

- Master Letter of Compliance is to be on DSD letterhead in the format and wording provided by DSD.
- Must have name of license holder, Texas Commission of Environmental Quality (TCEQ) license number, current address, phone number listed. http://www2.tceq.texas.gov/lic_dpa/index.cfm
- P.O. Box is not acceptable.
- The City of San Antonio Plumbing Inspections reserves the right to refuse acceptance of a Master Letter of Compliance from any company.

All irrigation contractors, installers, and interested parties should make themselves familiar with COSA Ordinances 2015-06-18-0563, Chapter 35 City Code of San Antonio, sections 35-510 (j), 35-511 (c)(6), as well as the requirements of Texas Administrative Code Chapter 344 regarding irrigation systems.

Respectfully Submitted,

David Rohde
Chief Plumbing Inspector
City of San Antonio
