

APPLICATION FOR APPOINTMENT
PLANNING COMMISSION TECHNICAL ADVISORY COMMITTEE

INTRODUCTION

The Planning Commission Technical Advisory Committee (PCTAC) is appointed by the City of San Antonio Planning Commission which advises the Planning Commission on technical issues related to Major Thoroughfare Plan amendments and Unified Development Code (UDC) amendments.

The UDC implements the City’s master plan and comprehensive plan policies, including SA Tomorrow, SA Climate Ready, SA Tomorrow Multimodal Transportation Plan, Vision Zero, and the Mayor’s Housing Policy Taskforce.

In order to implement these policy documents, the UDC includes regulations for subdivision platting, zoning, street design standards, storm water design standards, historic preservation, and protection of natural resources.

The City of San Antonio, through the Office of Equity, has made a commitment to advancing diversity, equity and inclusion in local government in all of its Departments. Equity means that our policy-making, service delivery, and distribution of resources account for the different histories, challenges, and needs of the people we serve. The Office of Equity is a citywide office focused on advancing social equity within City Government, to help reduce and ultimately eliminate disparities experienced by our most marginalized San Antonio residents, and the Development Services Department will continue to collaborate with that office to advance the City’s equity and diversity goals. As such, the PCTAC will also be charged with applying principles and practices of diversity, equity and inclusion to the committee’s work.

The PCTAC is composed of members of city boards and commissions, land development and planning professionals, and members of the public.
