FINAL REPORT OF REQUIRED SPECIAL INSPECTIONS

Project:[Project Name]

[Project Address]

Project Building #

San Antonio, Texas

The appropriate design professionals prepared and submitted a list of required special inspections (as required by the *International Building Code* Section 1704.2) on the permit set of construction documents submitted for a building permit for this project.

City of San Antonio Permit Number [AP#]

As the registered design professional in responsible charge for all required inspections for this project during construction, to the best of my information, knowledge and belief the listed required inspections and tests for this project have been performed and all discovered discrepancies have been resolved.

Inspections and tests performed, either periodically or continuously, represent all the work for the item inspected.

Respectfully,
