Detailed site plan required

Must be drawn to scale showing the size of lot, location of existing structures, locations of easements, and proposed swimming pool/spa with distances to all adjacent property lines and other existing structures. Site plan must show the following:

- Swimming pool barrier(s) (barriers are not required with a lockable safety cover for spas or a self-closing gate with self-locking mechanism powered lockable safety cover for swimming pools, where the cover complies with ASTM F1346)
Audible alarm

Setback Requirements

Residential swimming pool spa setbacks are 5' side and 5' rear to existing property lines. Swimming Pools Spas are not permitted in the front setback (10'). This is measured from the inside wall of the pool waterline to the property line.

Inspections required

A foundation inspection is required- during this inspection. If space is insulated, an insulation report/inspection is required. Once complete with the above-mentioned inspections, a final inspection is required.

(Initial) Homeowners Only: I understand that by initialing here and my signature below, I attest that I own and will own (occupy or rent) this residence for a period of 12 months after the completion of this project per City Code 10-115 (a)(1). I am requesting a homeowner's permit to remodel my home and will be responsible for all inspections as required by the Development Services.

I have read the complete application and know the same to be true and correct and hereby agree that if the permit is issued all provisions of the City Ordinance will be complied with whether herein specified or not. I understand that the permit belongs to the property owner and I am an authorized agent. The City of San Antonio only enforces City, State and Federal zoning and development ordinances and statutes and does not enforce covenants and deed restrictions (CC&Rs). It is imperative and incumbent upon you the applicant to verify the existence of any CC&Rs that may be applicable to your project. See Information Bulletin 234 for additional information. I, also, attest that I am aware that this permit is valid for 6 months from the issuance of the permit.

## Swimming Pool/Spa Barriers and Safety Devices Compliance Agreement

I hereby certify that I am the homeowner at \_\_\_\_\_  
 (address), and that \_\_\_\_\_ (swimming pool spa contractor)  
 will be acting as the General Contractor and will be installing the swimming pool/spa.

We both understand and agree that the swimming pool/spa barrier and safety devices will be permanently installed in accordance with Section 305 of the currently adopted International Swimming Pool and Spa Code. If there is no lockable safety cover for a spa or a powered lockable safety cover for a pool, the barriers for my swimming pool/spa are designed to provide protection against potential drowning and near drowning by restricting access through the use of physical barriers and warning devices. It is further understood that the barrier requirements for this installation will be installed and inspected prior to the pool being filled and used.

*Note: Please refer to [Information Bulletin 170 Swimming Pool Permits](#) for updated and detailed information on swimming pool/spa barrier requirements. This form may be emailed to [callcenter@sanantonio.gov](mailto:callcenter@sanantonio.gov).*
