

Manufactured Home Installation Permit Application In Established Park

Name of Manufactured Home Park: _____

Address of Park: _____ Lot #: _____

San Antonio, Texas _____

Park Manager:

Name: _____

Address: _____

Phone: _____ Email: _____

Park Owner:

Name: _____

Address: _____

Phone: _____ Email: _____

This approved application will result in a manufactured home installation permit for installation in an established manufactured home park. As part of this permit, the home will require a foundation and final inspection before utility release. *Foundation inspection must be conducted by a licensed engineer and a stamped foundation letter is required to pass the required foundation inspection.*

The following trade permits are also required for manufactured home installation. All listed permits must be obtained by a licensed trade contractor.

- Electrical
- Plumbing
- Mechanical (HVAC) (if applicable)
- Sewer
- Gas (if applicable)

Inspections for each trade permit are required prior to utility release to homeowner.

I hereby certify that the above information is true and correct and that I will comply with all applicable requirements of the Unified Development Code.

Applicant signature: _____ Date: _____

Title: _____ Park Manager _____ Park Owner _____ Tenant

Please Note: The City of San Antonio only enforces City, State and Federal zoning and development ordinances and statutes and does not enforce covenants and deed restrictions (CC&Rs). It is imperative and incumbent upon you the applicant to verify the existence of any CC&Rs that may be applicable to your project. See Information Bulletin 234 for additional information.
